## Aughrim Court Kilkeel

HOUSING  
FOR  
OLDER  
PEOPLE

Situated on Mountain Road, just off Kilkeel town centre, Aughrim Court, a sheltered housing scheme for older people, takes its name from the Aughrim River which runs along the back of the scheme.

There is a Post Office, pharmacies and restaurants, all within walking distance of the development. The local health centre, library and leisure centre are also in close proximity. There is also a day centre which holds various classes on week days. The scheme is comprised of 25 self-contained apartments with lift access to the upper floors. This includes; 14 single bedroom apartments, 8 double bedroom apartments, 2 two bedroom apartments and 1 three bedroom house. Each of the apartments has economy 7 heating, double glazed windows and a fully fitted kitchen.

## Rent

The weekly charge includes rent and rates plus charges for support service and communal facilities. Charges are set at an affordable level and depending on your circumstances you may be entitled to Housing Benefit and Supporting People funding. Please contact Choice for details of current charges.

Sheltered housing enables older people to live independently and privately in their own dwelling within a safe, friendly and supportive environment. All of our sheltered dwellings are linked to a 24 hour emergency call centre and tenants can have a pendant alarm if required. A scheme co-ordinator support service is available on site five days a week. Our aim is to ensure tenants feel safe, enjoy their privacy and independence, and have the opportunity to participate in social events and activities.
