Together we enrich lives

Woodland Manor

The site enjoys a convenient and well-connected location, with excellent public transport links via the Metro Bus Service, providing regular services to and from Belfast City Centre from nearby Beechill Road. The route also offers easy access to a range of local amenities, including Forestside Shopping Centre and Tesco Newtownbreda.

The development comprises of 36 high-quality apartments arranged across three attractive three-storey blocks.

The accommodation includes:

18 two-bedroom apartments suitable for three-person households

14 one-bedroom apartments designed for two-person households

4 two-bedroom wheelchair-accessible apartments for three-person households

All apartments are thoughtfully designed to CAT 1 (Over 55s / Active Elderly) standards and benefit from lift access to every floor. Each home is finished to a high standard, featuring gas-fired central heating, double glazing and a modern, fully fitted kitchen.

Generous car parking is provided within the development, with 51 on-site spaces, along with dedicated cycle stands located at each block.

The scheme is further enhanced by well-considered communal landscaping, incorporating a blend of soft and hard landscaping, winding pathways and a number of inviting seating areas, creating an attractive and relaxing environment for residents.
